

But even before 'The Beginning'

Julie's love of performing and dancing began to emerge very early on.

She started dancing when she was 5 years old at the Annette Pedersen School of Dance in Byfleet and was always very keen to take the chance to perform with her local school, Manor County Infants.

GREEK mythology and "Singing in the Rain" were brought together by pupils of St. Mary's junior school, Byfleet, last Thursday and Friday in their end of term entertainment on a theme.

The multi-media event, including mime, song, dance and speech, was devised by

staff members and most of the school's 320 pupils, aged eight-11, took part.

The hour-long show proved so popular that the school authorities now plan to open a drama club for the pupils later this year.
